Bann Business Solutions, a St Paul MN based sales distribution company, has purchased Gilbertson Advertising, an Edina MN based promotional products sales business.

Bann with its St Paul roots dating back to 1939 is currently one of the top 75 distributors in the country as rated by the PSDA. Bann markets itself as a “solutions” driven provider selling virtually every kind of printing imaginable. Partner, Bill Bann stated that because we have no equipment our only focus is on the client’s needs allowing for great flexibility in the solutions offered. With their recent investment in, the e-commerce platform, e-Quantum they can now also offer a full line of office supplies and promotional products. Mike Bann, Partner and head of business development, said that the addition of the professional sales team at Gilbertson Advertising will allow for more growth of Bann’s promotional product sales.
