## Moonlight Printing and Mailing Wins Multiple 2010 Awards

Bend Oregon, March 15, 2010... In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nations' leading business-to-business internet site, recently named Moonlight Printing and Mailing as one of the top businesses in the United States. The Company was given top honors in three award categories such Top 50 Women Owned Businesses in Oregon (#3), Top 50 Diversity Owned Businesses in Oregon (#5), and Top 50 Privately-held Businesses in Oregon (#8)

This is the 10th annual listing of the Nation's top businesses by DiversityBusiness.com. Companies listed on the Top Business lists represent the Nation's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small or minority businesses.

"Entrepreneurs are a growing force in the U.S. economy, and a force to be reckoned with," said Brenda Grigsby, President of Moonlight. "this is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

This List is a classification that represents the top small businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with multicultural, small and women-owned businesses use the list. The list is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service suppliers.

"The awards are an affirmation of our efforts to create a leading marketing, printing and mailing company gaining our customer's faith to continue and grow business with us. We are proud to be recognized as one of the largest minority based solution providers for our customers," concluded Grigsby.

The winning companies will be honored at a special awards ceremony at DiversityBusiness.com's "10th Annual National Multicultural Business Conference", taking place April 27 - 29, 2010 at the Gaylord Resorts, Washington, DC.

Privately held, Moonlight Printing and Mailing has provided leading edge print solutions for over twenty five years. The Company specializes in turnkey personalized direct mail solutions (data, creative, personalization, mail production and delivery to the USPS), including its patented It Stix® self adhesive mailer. Annually, the Company also prints hundreds of thousands of transactional documents (recurring invoices, statements) for its customers. These outsourcing solutions also provide for embedded personalized advertising (TransPromo). Serving clients from coast to coast, the Company invests heavily in security of all client information; as a result it is the only print to mail company in the United States that is both SAS70 and FISAP certified and compliant.
